INTERNSHIP

Website Development Intern

Internship Studio

July 2024 - Aug 2024

Pune, India

- Contributed to the design and development of multiple websites using HTML, CSS, JavaScript, Bootstrap, and React.js.
- Collaborated with a team of developers to build responsive and user-friendly interfaces.
- Implemented JavaScript animations and interactions to enhance user experience.
- Utilized Bootstrap to create responsive layouts and React.js to build reusable UI components.
- Participated in code reviews and ensured adherence to best practices.
- Worked closely with the design team to translate design concepts into functional and visually appealing websites.

PROJECTS

Online Shopping | HTML5, CSS3, JavaScript, Bootstrap, React.js

[Link](#)

- Developed a comprehensive e-commerce platform with an intuitive interface, enabling users to browse, search, and purchase products.
- Key features include a product catalog, search, shopping cart, secure checkout, user authentication, and order history.
- Implemented a secure payment system and provided administrators with efficient management capabilities.
- Created an administrative dashboard for product, order, and user management. Included a review and rating system for user feedback.
- Ensured a responsive design for accessibility across devices.
- Provided a seamless and secure online shopping experience for users. Utilized a secure user authentication system for user registration and login.
